

IFHE World Congress 2022

Abstract Announcement

April 2021

Abstract submission for Congress 2022 opens in six weeks. Abstracts accepted for the 2020 Congress must be resubmitted for 2022; they may be the same, updated or new. New authors are encouraged to participate. Online submissions will be accepted from June 1-August 31, 2021.

The latest Congress information is on the website including the 2022 Call for Abstracts, Tentative Registration, confirmed and invited speakers, Learning Day on the Move descriptions and the Tentative-Program-At-A-Glance. Congress registration will open January 2022.

Please share this announcement with your colleagues and go to the Congress website at www.ifhe.org. We look forward to receiving your submission, beginning June 1, 2021!
