

International Federation for Home Economics
XXIV World Congress

September 4-10, 2022
Atlanta, GA, USA

Abstract Submission is Open for World Congress 2022

The IFHE World Congress only happens every four years. The 2020 Congress will now be held in 2022. This is an opportunity to connect, learn and share with colleagues from across the globe. Submit your abstract to present this summer!

Additional information has been added to the Congress website that guides submission for research, best practice and textile and design.

Categories	Closes
